Drawing designators (informal list)

- 30 balance
- 32 window frame
- 34 screw
- 36 hole in gearbox 40
- 40 gearbox
- 42 sash
- 44 top of balance
- 46 screw
- 48 bracket
- 52 pin
- 54 hole in bracket 48
- 58 hole in lug 60
- 60 lug
- 66 metal strip
- 68 stud
- 70 stud
- 74 hole in strip 66
- 80 tension spring
- 82 lower end of spring 80
- 86 block
- 88 upper end of spring 80
- 92 housing of gearbox 40
- 94 tube between springs 100 and 108
- 96 tube around spring 80
- 98 end of tube 96
- 99 end of tube 96
- 100 torsion spring

102 lower end of spring 100
104 follower, internally threaded
106 top end of spring 100
108 spiral rod
109 thread, spiral rod
110 slot in shaft 120
112 upper end of spiral rod 108
116 hole in shaft 120
118 hole in shaft 120
120 shaft
122 pin
124 pin
126 lower end of rod 108
130 recess of block 86
134 tool hole in insert 140
140 keyed insert
144 keyed hole in gear 150
150 gear
152 spring
154 wall of housing 92
154a portion of wall 154
154b portion of wall 154
160 opening, hexagonal, of wall 154
162 hexagonal head
164 bearing liner halve
166 gear tooth clearance slot halve
170 gear
174 bearing liner halve
176 gear tooth clearance slot halve

196 block
198 balance
204 tube
206 axis
210 housing, gearbox
214 groove of longitudinal engagement
216 finger of longitudinal engagement
218 groove of longitudinal engagement
220 finger of longitudinal engagement
212 hole
226 lug
230 insert
